Missing Men: A Memoir

Joyce Johnson

Missing Men: A Memoir Joyce Johnson

Joyce Johnson's classic memoir of growing up female in the 1950s, **Minor Characters**, was one of the initiators of an important new genre: the personal story of a minor player on history's stage. In **Missing Men**, a memoir that tells her mother's story as well as her own, Johnson constructs an equally unique self-portrait as she examines, from a woman's perspective, the far-reaching reverberations of fatherlessness. Telling a story that has "shaped itself around absences," **Missing Men** presents us with the arc and flavor of a unique New York life—from the author's adventures as a Broadway stage child to her fateful encounters with the two fatherless artists she marries. Joyce Johnson's voice has never been more compelling.

From reader reviews:

Mary Buss:

What do you think of book? It is just for students since they are still students or this for all people in the world, exactly what the best subject for that? Simply you can be answered for that problem above. Every person has diverse personality and hobby for each other. Don't to be pressured someone or something that they don't want do that. You must know how great and also important the book Missing Men: A Memoir. All type of book could you see on many options. You can look for the internet sources or other social media.

Carmen Annunziata:

Information is provisions for anyone to get better life, information presently can get by anyone with everywhere. The information can be a expertise or any news even a concern. What people must be consider if those information which is from the former life are difficult to be find than now is taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you receive the unstable resource then you have it as your main information you will have huge disadvantage for you. All of those possibilities will not happen inside you if you take Missing Men: A Memoir as the daily resource information.

Al Fraire:

Your reading sixth sense will not betray an individual, why because this Missing Men: A Memoir book written by well-known writer who knows well how to make book that can be understand by anyone who all read the book. Written in good manner for you, still dripping wet every ideas and writing skill only for eliminate your hunger then you still skepticism Missing Men: A Memoir as good book not just by the cover but also by content. This is one book that can break don't evaluate book by its protect, so do you still needing one more sixth sense to pick this!? Oh come on your looking at sixth sense already said so why you have to listening to yet another sixth sense.

Derick Heinz:

Are you kind of active person, only have 10 or 15 minute in your time to upgrading your mind ability or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book than can satisfy your short time to read it because all of this time you only find reserve that need more time to be learn. Missing Men: A Memoir can be your answer as it can be read by a person who have those short spare time problems.
