Renowned art historian and television personality, Sister Wendy documents the lives and works of over 40 of the world's best-loved saints with her unique blend of humor and spiritual insight. Her reflections bring to life illuminated manuscripts, miniatures, and icons, dating back to the seventh century. The works depict people of great spirituality from the humble humanity of St. Anthony the Hermit to the courageous dignity of St. Agatha and the virgin martyrs. Sister Wendy's eloquent text discusses the art, while also chronicling the lives and ordeals of each saint, their feast days, iconographic emblems and the subjects of their patronage.
