The Mystery of Survival and Other Stories Alicia Gaspar De Alba

Fiction. In THE MYSTERY OF SURVIVAL AND OTHER STORIES, Gaspar de Alba considers the boundaries between sexes, lovers, cultures, generations, and beliefs and presents a body of work that allows her characters to both defy and celebrate these borders. This collection is peopled by those tenaciously exploring their places in the world: an ambitious young Mexican American reporter who quietly comes to understand the profound impermeability of this boundary as his Anglo editor refuses to see him as anything but an underling; a young woman haunted by the memories of her childhood along the United States/Mexico border; a boy who crosses the brittle line his parents have drawn between each other and chooses to show his allegiance to his mother. Gaspar de Alba reveals characters who, by exploring these boundaries, learn to define themselves and, ultimately, discover not just how to survive, but to flourish.
