## **Blessed Disillusionment: Seeing Through Ideas of Separation** Morgan Caraway

“Morgan Caraway's book is an excellent summary and presentation of the fundamentals of the non-dual perspective. It is one of the most direct and uncompromising contemporary books on non-duality I have seen. Morgan's insights are dead on target and he does not pull any punches. If you are looking for a ‘politically correct’ expression of non-duality this is likely NOT the book for you. It is full of sharp, clear and witty expressions that will delight the discerning reader interested in cutting through the fog of fuzzy spiritual concepts and half truths that often pass for clarity. Morgan expresses the universal and timeless themes of non-duality in an original, fresh way. This book is not a retread of worn-out spiritual concepts; rather, it is a bold and radical wake-up call that dares you to recognize your original nature as it is here and now.”
