Magic and passion ignite when two friends finally come together.

Over 1,000 years ago, a witch hexed four charming Viking brothers, each with one of the four elements. They live with these curses today, doomed to suffer for their past crimes forever.

Erik is a dashing con artist, playboy, and immortal Viking cursed to carry the burden of unwieldy, broken wings. He only cares about one thing in the world apart from himself: his best friend, Siobhan.

Sarcastic, efficient, and beautiful, Siobhan would do anything for her oldest friend, Erik, including hiding her feelings to protect him from her past.

But when scandal threatens Erik and Siobhan, they must come together before they both go down for crimes they didn't commit.

This mature romance involves horny immortals, a matchmaking bartender, and a love powerful enough to soar.

This is a standalone novella that's part of the Her Elemental Viking series, which can be heard in any order. There are no cliffhangers, and each short ends as it should: happily ever after.
