How to Read an English Garden Andrew Eburne, Richard Taylor

Richard Taylor, author of the best-selling *How to Read a Church*, joins forces with garden historian Andrew Eburne to produce the ultimate guide to historic and modern gardens.

Gardens are amongst the fastest-growing visitor attractions today - in the UK alone 15 million people will visit a garden this year. *How to Read an English Garden* is the essential book for every garden lover. It provides an account of the different elements of gardens of all ages and explains their meaning and their history: here, you'll find the answer to such questions as: when were tulips introduced into our gardens, and what was 'tulip-mania'? What is a knot-garden, and what was the origin of its design? Who was 'Capability' Brown, and how did he get his name? Why are mazes such a common feature in English garden design? In addition, the book explains how lawns, flowerbeds, trees and ponds came to be a feature not just of grand houses but of gardens everywhere. Among the many subjects covered are: garden design, plant introductions and collectors, kitchen gardens, water gardens, and garden styles from around the world: English, American, Chinese and Moorish to name just a few.

Clearly laid out and beautifully illustrated, *How to Read an English Garden* brings historic and modern gardens to life: a book to accompany garden visitors everywhere, or to be enjoyed and dipped into at home.
