PMP Exam Success Series: 3500 Question Exam Simulation CD-ROM Tony Johnson MBA

This product is for those taking the PMP Exam after June 30, 2009. This aligns with the PMBOK Guide Fourth Edition.Product Description

The PMP Exam Success Series: 3500 Question Exam Simulation CD-ROM is complete with over 3500 questions, 26 different tests including Professional & Social Responsibility, Framework, nine knowledge areas, five process groups and eight complete four hour 200 questions that emulate the PMP Exam environment. The PMP Exam Success Series: Exam Simulation CD-ROM is an exam simulation application that provides you with two different test modes (Simulation and Learning) for 26 different tests. It also allows the opportunity to create your own test formats by selecting what topic areas to include and quantity of questions including the randomization of questions and answers for each test. You can analyze your areas of understanding and strength (or weakness) by taking tests in framework, scope, time, cost, quality, human resources, communication, risk, procurement, integration, professional & social responsibility, initiating, planning, executing, monitoring & controlling and closing. Also included are eight complete 200 question four hour PMP Exam style tests. The exam simulation application provides the opportunity to see how you perform under the pressure of a four hour computerized test environment with the built in timer. The application automatically scores your test and the reporting at the end of the exam shows pass or fail, an overall score and breaks down your score by exam topic area. It also keeps track of your scores over time to track progress. This is perfect for that last minute study time or when you get a few minutes to see where you are at, without having four hours for a full 200 question exam.
