The Reckoning Christie Ridgway

USA TODAY bestselling author Christie Ridgway sweeps readers away in this pulse—pounding and heartfelt reader—favorite story of secrets and second chances...

After ten years in a coma, Linda Faraday is finally awake. All she can remember is she used to be an undercover operative looking into the shady dealings of an embezzler. And today... A survivor? A single mother to a ten—year—old son? With her enemies still out there, Linda accepts the protection of FBI agent Emmett Jamison as she attempts to build a new life—a simpler, quieter life—and turns her back on the dangerous but important work that's already cost her so much.

But even as an undeniable connection—and an irresistible attraction—grows between them, Linda isn't sure Emmett fits into her plans. Spending days chasing after murderers hardly qualifies. But as she's drawn into the hunt with Emmett, Linda realizes she was never meant to take the safe road. And her past isn't quite finished with her. It's time for a final reckoning. For everyone...
