Queen Victoria's Highlanders (Men-at-Arms)

Stuart Reid

Queen Victoria's Highlanders (Men-at-Arms) Stuart Reid

In 2006 the title 'Highlanders' finally disappeared from the British Army's list of infantry regiments after nearly 270 years. Throughout this period Scottish Highland units distinguished themselves in battle, but it was in the 19th-century heyday of the British Empire that they acquired an elite reputation and their colourful uniforms evolved to their full complexity. This book traces and explains the identity and appearance of the individual regiments throughout Queen Victoria's reign, illustrating a wide variety of their home service uniforms with engravings, paintings, photographs, and full colour plates specially researched and prepared for this tribute to a unique military tradition.
