A rash of unexplained suicides. An old woman's baffling illness. A brutal murder. Detective Gary Goodhew must figure out what's connecting them—or die trying . . .

The esteemed Detective Gary Goodhew must solve a disturbing puzzle when he stumbles upon a circle of friends who seem to be afflicted by a plague of teenage suicides. Poor Charlotte Stone . . . her whole life she has been burdened by grief. First her terminally ill mother dies and then, just weeks later two of her childhood friends take their own lives.

Detective Goodhew begins to realize that this web of tragedy is not woven by coincidence. In his search for the link between this series of deaths, Goodhew is forced to recall deeply buried memories of a murder investigation that went cold years ago—memories that lead him to Charlotte Stone. Together they must stop the course of events set in motion years ago . . .

In this unforgettable novel, Alison Bruce twists a shocking tale that will thrill fans of Deborah Crombie and Tana French.
