This distinctive college directory is for students and parents who are seeking a first-rate education at a reasonable price. Nearly 300 excellent, fully-accredited American colleges fit this category. Education costs range from virtually tuition-free at some very good publicly supported schools to others where costs are moderately high but are still a bargain in terms of the quality of education offered. Annual tuition of colleges in the highest bracket are in the \$20,000 range, but most schools listed in this directory are considerably less expensive. Details cited in each school description includes tuition and fees, student body composition, academic programs, campus environment, available financial aid and other cost-cutters, and a *bottom-line* capsule summary of each school with advice to future students.
