## **Challenge for the Pacific: Guadalcanal: The Turning Point of the War** Robert Leckie

From Robert Leckie, the World War II veteran and *New York Times* bestselling author of *Helmet for My Pillow*, whose experiences were featured in the HBO miniseries *The Pacific*, comes this vivid narrative of the astonishing six-month campaign for Guadalcanal.

From the Japanese soldiers' carefully calculated—and ultimately foiled—attempt to build a series of impregnable island forts on the ground to the tireless efforts of the Americans who struggled against a tenacious adversary and the temperature and terrain of the island itself, Robert Leckie captures the loneliness, the agony, and the heat of twenty-four-hour-a-day fighting on Guadalcanal. Combatants from both sides are brought to life: General Archer Vandegrift, who first assembled an amphibious strike force; Isoroku Yamamoto, the naval general whose innovative strategy was tested; the island-born Allied scout Jacob Vouza, who survived hideous torture to uncover the enemy's plans; and Saburo Sakai, the ace flier who shot down American planes with astonishing ease.

Propelling the Allies to eventual victory, Guadalcanal was truly the turning point of the war. *Challenge for the Pacific* is an unparalleled, authoritative account of this great fight that forever changed our world.

*From the Trade Paperback edition.*
