Frommer's EasyGuide to Las Vegas 2016 (Easy Guides) Grace Bascos

In previous editions, this was the first guidebook to Vegas to recognize the increasing tendency of visitors to take in the non-gambling attractions of Sin City; no other book better captures the current outlook and desires of the city's visitors. In highly opinionated prose and careful attention to price and other details, our easily-consulted *Easy Guide* casts a close eye on what's outstanding and full of value and what's not. It more than upholds a 60-year Frommer history of candid commentary and independent -- often scathing -- judgment.
