My World in Motion Jo Whiley

Jo Whiley is someone millions of us recognise but very few of us know. Jo's a mother, sister, DJ, wife and music-industry insider who throughout her career - and in an age of fleeting celebrity - has earned the respect of her peers and fans by simply being herself and for her constant enthusiasm, be it for established rock 'n roll royalty or emerging talent. For Jo Whiley, it's all about the music.

My World in Motion offers a unique opportunity to get to know the real Jo Whiley. From her musical epiphany (being carried over the crowd at a Clash concert) to when she became friends with John Peel at Glastonbury (over some very short shorts - his not hers) and interviewed Bono (surviving a power-cut on vodka). *My World in Motion* is an honest, funny, self-deprecating account of Jo's professional coming of age, and what it means to be a private person in a very public world.
