Creed's story is indeed an inspirational one. The group of rockers originating from Tallahassee, Florida, made an indelible impression with their debut album, *My Own Prison*, released on the independent Wind Up Records label. Creed dominated the rock charts and made history when all four singles from this freshman album captured the number one position. Their success is all the more genuine because it was done without the backing of huge corporate dollars or the hype of a glitzy media campaign. With the release of their sophomore album, *Human Clay*, the Florida foursome continue to gain respect from critics and fans alike who praise them for their passionate live performances and poignant heartfelt lyrics.

Read all the exciting details of a band whose faith and belief in their musical dream pulled them through their bleakest hour and propelled them forward to the peak of the musical charts. An accomplishment Creed achieved their way - without apology.
