## **King Conan: Hour of the Dragon #4** Timothy Truman

Betrayed, deposed, and in hiding, Conan rides for his old capital of Tarantia with bloody vengeance in his heart but the devious wizard Xaltotun has spies in the sky and soldiers on the ground. The solitary barbarian is forced to seek counsel from an unlikely ally . . . who has a few beastly servants of her own! The art in this comic is phenomenal. Giorello shows echoes of Barry Windsor-Smith in his line work and character composition. • Comic Book Resources
