Three Shrinking Tales: A Matter-of-Fact Magic Collection by Ruth Chew (A Stepping Stone Book(TM)) Ruth Chew

For decades, Ruth Chew's classic chapter books full of everyday magic have enchanted early readers. Now a new generation can fall under her spell and fall in love with reading.

This e-collection turns tiny magic into big surprises! In *Do-It-Yourself Magic*, a special "Build Anything" kit makes imagined settings come to life. In *Earthstar Magic*, a slow summer turns upside down when a clumsy witch's spells go awry. And in *Mostly Magic*, enchanted objects lead two siblings and a mysterious cat into a series of miniature adventures.

"Ruth Chew's classic books capture the joy of everyday magic." — Mary Pope Osborne, author of the Magic Tree House series
