Driven to Distraction by Tina Wainscott

Freewheelin' it

Six days, five hours, twenty-four minutes—that's all Barrett Wheeler has left. His tree-snail research is due, but he's taken up residence temporarily in the wackiest seniors' community in south Florida. It wouldn't be *so bad*, but the gorgeous twentysomething free spirit next door, one Stacy Jenkins, keeps distracting him from his work. Will they have a shot at some fun in the sun before time runs out?

Winging It by Candy Halliday

The sky's the limit

Pilot Alec Southerland is just a man who can't say no. Can he help it if women flock to him, or if he's too considerate to hurt their feelings? He's also exactly the type of man Mackenzie Malone's mother always warned her about—too good-looking, too popular with the women and guaranteed to bring heartache. Yet Mackenzie's finding it increasingly difficult pretending her sexy neighbor doesn't get *her* motor humming, too, especially when the harder she tries to avoid him, the more he happens to turn up!
