Faraway Friends

This is the story of the adventure of a little boy named Sheldon and his dog, Jet. When Sheldon's best friend moves away, Sheldon spies the word "Jupiter" painted on the side of the moving truck. Sheldon feels sad at first, but realizes that this is a sign—what he needs is a rocket ship! So Sheldon and Jet do some sketching and some scrounging, and, with a wagon full of equipment and supplies, the two future astronauts head to the backyard. With a *glop* and a *wham*, piece by piece the ship begins to take form, and soon it's Commander Sheldon A. Flyer and Space Cadet Jet ready for takeoff! The duo jets around satellites, zooms by planets, speeds through space storms, and zips past other flying saucers . . . until *plop*, they've arrived, somewhere with a green, alien life-form and a furry black blob.

This book encourages children to channel loneliness and boredom with creativity and imagination, and ultimately it is a story of new friendship. Featuring vibrant illustrations by debut author and illustrator Russ Cox, this action-packed story is sure to appeal to young readers in search of something that is out of this world!

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
