Where were you the day...? Did you know...? Remember when...? We love to reminisce and rehash historical facts. History is filled with events that changed the course of a nation and others that altered the path of a life. A common thread remains consistent, though: God has been there through it all. Everything that happens is under his watchful care; he gives us countless opportunities to take notice of his activity, as well as the Bible to guide us. Author Dianne Neal Matthews blends 365 memorable events in history with God's scriptural wisdom; the combination provides a constant reminder of God's presence in the world. Readers will experience spiritual truths and connection with God through lessons from the past. Brief daily readings and questions will keep you thinking about his active loving-kindness as you go about your routines.
