Goldstein, Glejzer

Sexualidad para padres e hijos (Crecer Hoy / Growing Today) (Spanish Edition) Goldstein, Glejzer
Cambios y diferencias corporales en la infancia y en la pubertad, los sistemas genitales, menstruación, masturbación, estimulación y orgasmo, métodos anticonceptivos, infecciones de transmisión sexual, embarazos adolescentes y abuso sexual son algunos de los temas que chicas y chicos de 11 a 16 años de escuelas públicas y privadas de la provincia de Buenos Aires, y de talleres de Educación Sexual que se dictan en diversas escuelas de otras jurisdicciones están ávidos de saber. Construido sobre la base de diversas preguntas y como parte de una investigación, este libro está dirigido a padres y a madres, hijos e hijas a la espera de que las chicas y los chicos de hoy alcancen una sexualidad saludable y responsable a partir de un diálogo intergeneracional y constructivo. Ayudar a los adolescentes a conocerse y a adaptarse al cuerpo que cambia en un contexto afectivo y respetuoso que propicie la tolerancia, el amor y la responsabilidad es fomentar una sexualidad placentera y segura.
