6 Essential Questions Priscila Uppal

6 Essential Questions tells the story of Renata as she travels to Brazil to reunite with the mother who abandoned her when she was just five years old. In Rio, Renata discovers more than she bargained for in her quest to uncover the truth of who abandoned whom. She is continually tossed about by her undead grandmother and a semi-invisible uncle as they choreograph the ultimate dance of mother and daughter who must confront their dreams before they can ever attempt to confront each other. Loosely based on Uppal's critically acclaimed memoir, *Projection: Encounters with My Runaway Mother*, a finalist for both the Writers Trust Hilary Weston Prize and the Governor General's Award for Non-Fiction, imaginations run wild in this strangely beautiful and funny story of a woman who may have to realize that some dreams are meant to die.
