## **And So It Was Written** Ellen Brazer

Meticulously researched and controversial in scope and imagination, *And So It Was Written* travels to a time when a Third Temple is built and the Ark of the Covenant holding the Ten Commandments is found. The year is 132 CE, and the proclaimed Jewish Messiah, Bar Kokhba, has defeated the Roman army and rules Judea. As the Romans prepare to reclaim Israel, the book follows two sets of brothers—one Roman and one Jewish—whose friendships, hatreds, and lives intertwine. For characters you will dream about, *And So It Was Written* is the ultimate treat. You will smell the spices in the markets, see the blood on the battlefields, rage with the injustice of brother against brother. From triumph to defeat, this is a saga of courage, conquest, familial loyalty, honor and love—showing man at his best and his worst.
