Free College Resource Book Doug Hewitt, Robin Hewitt

With tough economic times, paying for a child's education is harder than ever. *Free College Resource Book* takes students and parents through the process of weighing options for college funding, including scholarship searches, grants, savings plans, differences between financial aid options and which financial aid programs provide the best benefits to students, and other sources of money for paying college tuition and fees.

Using a unique "Grand Slam" organizational strategy, the authors take students and parents through the process of creating a successful game plan to fund their college educations by focusing on student interests.

This book shows students how to both find sources of funding and prepare winning essays, applications, and interview responses to ensure they meet their financial aid goals.

Written by parents who put five children through college without spending a dime, this handy guide will aid parents and future college students in their search for the best education at the best price.
