You probably don't think of yourself as an evangelist.

Most Christians would rather leave evangelism to a select few with "special talent" for outreach. But when Christ gave the command to spread the Gospel, He gave it to us all. Because He knew we'd each have something unique to offer as His witnesses to the world.

In Reaching Out, Bill Hybels helps you develop your own evangelism style—one that fits your personality like a glove. You'll discover the meaning and importance of sharing your faith and learn the motivation and mind-set behind evangelism. You'll also get the solid guidance and seasoned tips you need to put it all into motion successfully. As you walk through this proven, highly effective approach, you'll find your hesitations melting into an enthusiasm for winning lost men and women to Christ.

Interactions—a powerful and challenging tool for building deep relationships between you and your group members, and you and God. Interactions is far more than another group Bible study. It's a cutting-edge series designed to help small group participants develop into fully devoted followers of Christ.
