## DIÁLOGOS CON ANUBIS (Spanish Edition) URBOREAS

Lo maravilloso de este libro no es que Anubis responda a las preguntas de una mujer, sino que prácticamente todos los sueños acerca de los cuales ésta se interroga, son pesadillas o sueños inquietantes. Y Anubis ¿qué hace con este material? Convertido en luz, transformando la confusión y la angustia en comprensión, elevando la consciencia y ampliando la perspectiva hasta romper los estrechos parámetros habituales. Anubis se muestra aquí como un Guía experto en el manejo de nuestros aspectos más sombríos e inconfesables. Como una estrella que surge cuando más negra es la noche, su función es acompañarnos en este tránsito hasta la aurora, momento en el que pasamos a vivir iluminados por el Sol.
