REA's *EMT Paramedic Flashcard Book - Premium Edition with CD*

Raise your score with 350 must-study test questions!

REA's flashcard book for the EMT Paramedic exam helps you check your test-readiness and get a high score. Our flashcard book is the perfect refresher and offers a quick and convenient way to practice answering questions while pinpointing your strengths and weaknesses.

Written by an expert with nearly 30 years of experience in the fire and EMS arenas, our flashcards give you full scenarios to evaluate in a multiple-choice format, just like the actual test. The book contains 350 must-study questions that cover all the test categories on the EMT Paramedic exam: airway & breathing, cardiology, legal, medical, obstetrics & pediatrics, scene size-up, and trauma.

The CD contains four timed quizzes with detailed explanations of answers to challenge test-readiness. As an added bonus, we've also included four full-color anatomy charts covering:

- Anatomy & Physiology
- The Skeletal System
- The Cardiorespiratory System
- The Muscular System

Unlike most flashcards that come loose in a box, our flashcards are bound in an organized, portable book that makes studying a breeze. Write your answer on the front of the card, then compare it to the answer on the back of the card. This concise question and answer format makes it easy to find the right answer, and we give details explaining why the answer is correct.

REA's EMT Paramedic flashcards are perfect for on-the-go review and ideal for individual, classroom, or group study.
