He'd forgotten the love they'd shared

Tobie was happy with her boyfriend, Mark, until he insisted on their flying to the Caribbean to meet his family. He was unaware that Tobie knew his half brother, Robert, all too well. Their devastating affair had ended years ago.

Tobie was shocked to find that Robert was now partially crippled and had amnesia. She supposed she should be relieved that he was no threat to her happiness with Mark.

Instead she wished desperately that Robert could remember how he'd once loved her... and love her again.
