The Lord of the Psalms Patrick D. Miller

In seven readable chapters, renowned scholar Patrick D. Miller delves into the biblical book of Psalms. Miller explores what the psalms can teach us about God, our relationship to God, and what God wants for us. He tackles over a dozen of the most beloved psalms that explore themes of God's existence; creation and redemption; praise and thanksgiving; and grace, mercy, and justice. He approaches the material in various ways, sometimes focusing on what a particular psalm can tell us, other times examining one theme that flows through several psalms. Miller offers a fresh reading of the psalms that will help the reader better understand God in worship and prayer.
