# What Light Can Do: Essays on Art, Imagination, and the Natural World

*Robert Hass*

## **What Light Can Do: Essays on Art, Imagination, and the Natural World** Robert Hass

Universally lauded poet Robert Hass offers a stunning, wide-ranging collection of essays on art, imagination, and the natural world—with accompanying photos throughout.

*What Light Can Do* is a magnificent companion piece to the former U.S. Poet Laureate's Pulitzer Prize and National Book Award-winning poetry collection, *Time and Materials*, as well as his earlier book of essays, the NBCC Award-winner *Twentieth Century Pleasures*. Haas brilliantly discourses on many of his favorite topics—on writers ranging from Jack London to Wallace Stevens to Allen Ginsberg to Cormac McCarthy; on California; and on the art of photography in several memorable pieces—in *What Light Can Do*, a remarkable literary treasure that might best be described as “luminous.”
