Not your average business self-help book, *Impact!* is a 'total person' development guide that says 'who you are impacts everything you do'. It doesn't focus on what's wrong with you but rather what's right with you so that you can turn your potential into performance. The secret to success and fulfillment-both professionally and personally-is that you should stop trying to 'fit in' and become what others want you to be; that you can become more productive, powerful, and passionate by becoming more of who you were meant to be instead. Why? Because no longer is there any separation between who you are and what you do!

With step-by-step strategies and smart insight, you will learn how to have significant positive impact in your life and in your career; you'll learn how to unlock your personal power; live your life with purpose; appreciate your family; identify your greatest gifts and talents; value your failures and learn from them; stand up for yourself; give yourself permission to stand out; and start to ask for what you want. Best of all, you will learn how to be seen, heard and celebrated for being authentic - for being exactly who you are.

- Serious advice for women who want to live passionate, successful, and happier lives at home and professionally
- Shows you how to re-engage with yourself, figure out what you want and why you want it, and take charge of your career and life
- Author Nancy Solomon is an expert in the field of personal development and human potential

The key to *Impact!* lies in knowing yourself intimately, leading your life from the inside out, and using your strengths to become happier and more fulfilled. *Impact!* shows you who you are, where you're going and how to get there. It also helps you to get out of your own way!
