Reaching Up for Manhood: Transforming the Lives of Boys in America Geoffrey Canada

From a troubled youth navigating the mean streets of the South Bronx to an inspiring educational activist who evokes praise from the likes of President Barack Obama, Geoffrey Canada has made a remarkable personal journey that cemented his dedication to underserved youth. His award-winning work was featured in Davis Guggenheim's documentary *Waiting for "Superman,"* and he has been hailed by media, activists, teachers, and national leaders. Michelle Obama called him "one of my heroes," and Oprah Winfrey refers to him as "an angel from God." Here, Canada draws on his years of work with inner-city youth and on his own turbulent boyhood to offer a moving and revelatory look at the little-understood emotional lives of boys. And who better for this task than the man Elizabeth Mehren of the *Los Angeles Times* calls "one of this country's leading advocates for youth."

From the Trade Paperback edition.
