She's exactly what he wants to sink his teeth into...

Jordan Hill is his pack's Alpha. The Big Bad Wolf. And after his last breakup, he's opting to be the lone wolf, too. But then his rival's little sister—a human, of all creatures—comes to his door. And suddenly, what should be a tasty little snack turns out to be something more than Jordan could ever imagine...

Christa Hansen is simply looking for a place to stay. Yet the dark shifter smells irresistibly like forever. But getting involved with the wolf who tried to kill her brother—twice—is lunacy. Besides, in the unforgiving, shadowed world of shifters, there is no room for weakness. And falling for her family's enemy won't just be her downfall...it will be his, too.
