## Voices of the Apalachicola (Florida History and Culture) FAITH EIDSE

One of the main water resources for Florida, Alabama, and Georgia, the Apalachicola River begins where the Chattahoochee and Flint rivers meet at Lake Seminole and flow unimpeded for 106 miles, through the red hills and floodplains of the Florida panhandle into the Gulf of Mexico.

*Voices of the Apalachicola* is a collection of oral histories from more than thirty individuals who have lived out their entire lives in this region, including the last steamboat pilot on the river system, sharecroppers who escaped servitude, turpentine workers in Tate's Hell, sawyers of "old-as-Christ" cypress, beekeepers working the last large tupelo stand, and a Creek chief descended from a 200-year unbroken line of chiefs.
