The Wildlife Garden; covers everything the gardener needs to know to cultivate and maintain a wildlife haven in their own garden, however small. There is a wealth of practical information and colour photographs on 'natural' gardening in a clear, easy-to-use, month-by-month format, allowing gardeners to find the advice they need instantly, when they need it. This title provides an introduction to the wild plants and creatures for each month, together with seasonal tips, tasks, checklists and detailed plant profiles. It offers easy-to-follow practical projects to create new habitats, such as making a wildlife pond, building a nest box, planning a herb bed, planting a summer meadow, and more.
